Summer Kitchen Refrigerator

Additional Cooler Storage

When the going gets rough...
you probably won't notice. Thanks to an aggressive bottom design and an overbuilt hull underneath you.

The Blackwater 43' SportFish is built with craftsmanship beyond comparison. The 43' is built to outperform in speed, range as well as fit and finish.

For those that want to fish, cruise or entertain, a long list of standard and additional options are available for you to build a completely customized center console. There are features such as a full tuna tower, cabin & helm air conditioning, an electric Sure Shade, customized fishing and diving set ups, upgraded electronics or outriggers, and more!

43' BLACKWATER SPORTFISH

The Blackwater 43' SportFish is the most versatile center console on the market today and can be built to do exactly what you want.

We start off with a tournament worthy platform and can add as much or as little offshore fishing amenities that even surpass many of the big sport fish yachts. The 43' features two AFT 65 gallon livewells with the option of adding a 3rd. There's a custom tackle center and bait prep station behind the helm seats, more than enough fish boxes are found throughout the boat and all the rod holders you need.

When the sun goes down the Blackwater 43' SportFish can be transformed into a club like setting. Custom color changing LED lighting sets the mood while the amazing sound system comes to life.

The Blackwater 41' Tournament Edition is the perfect blend of a performance **proven step bottom with the dry riding flair** of a large Sportfish.

Each boat is custom built one at a time and tailored to the needs of the owner. The Blackwater 41' Tournament Edition includes all the features that will satisfy the most demanding angler but still offer a long list of luxury options to make your day on the water comfortable for friends and family alike.

41' BLACKWATER TOURNAMENT EDITION

Bring us your wish list and we will transform it into the reality that is the Blackwater 41 Tournament Edition.

With a massive beam of 11' 11", the Blackwater 41' Tournament Edition will give you the optimal fishing platform compared to the other 40' fishing center consoles on the market. There are a number of cockpit design features to choose from: adding a forward deluxe lounge seat with an insulated cooler to bow seating for your family.

Turn your 41' Tournament Edition into the extreme fishing machine with a completely customized tower.
